

Experience DR **without compromise**
at ECR in Vienna.

Win an
iPad

Swissray 

Affordability and workflow without compromise

Join us at ECR and experience our new and fully automated 2-detector based *ddRVersa* system. Combined with the intuitive *eXpert* user interface, it provides optimized workflow and higher productivity for most efficient patient care.

As the pioneer and technology leader in DR, Swissray delivers outstanding image quality and ultimate workflow efficiency at exceptional value.

Visit us at ECR in Vienna where we will be pleased to demonstrate our latest DR innovations.

March 2 – 5, 2012

ECR, Extension Expo A, Booth 7
Austria Center, Vienna

Win an iPad

Complete a survey at our booth and enter a raffle to win one of several Apple iPads.
